**ANIMAL WEEK**

Let your wild side out in acrylics or watercolors – jungle animals, pet portraits, zoo animals or whatever animal you like! Learn how to make body shapes, realistic fur, patterning and natural habitats.

**AROUND THE WORLD**

Travel the world with us as you create art such as Egyptian sculptures, “red figure” Greek pottery, Roman mosaic, Asian batik, African masks, Italian frescoes.

**ART & SCIENCE**

Scientists and artists were once one – think and create art they way they did – do experiments with making paint, study and sculpt insects, dissect and draw flowers, study turbulence, keep a science/art journal.

**CARTOONING**

Learn to tag, ink, write, make story boards! Character creation is yours as you make your own carton cel and create a manga animation wheel.

**CHALK PASTEL STILL LIFE**

Lots of fun as you use vibrant chalk pastels. Work from still life and imagination, mix these pastels with glue or other mediums. You won't believe the masterpieces you make!

**CLASSICAL PAINTING WITH OILS OR WC**

Incorporate the traditional way of realistic painting including lighting, glazes, composition and content, using Renaissance inspiration.

**DRAWING**

Observe the way artists do, using ink, graphite, charcoal, pastels, & colored pencil. Proportion, light and shadow shading, perspective, line & tone will make your drawings spring to life.

**DRAWING DRAGONS, CREATURES AND MONSTERS**

Colored pencil creatures will come alive from your imagination – there's no limit to the detail and form you can create. Color saturation –deep, rich, luscious colors - will be taught. Don't be scared of creatures this week – there's going to be a lot of them!

**FASHION DESIGN**

Design your own collections!! Learn the exciting ins and outs of the Fashion industry while working with your own story boards, flats fabric choices, color decisions for your season clothing palettes and illustration croquis. You will have n entre collection of clothes t share with your friend!

**FINE ART FROLICS**

Ages 4-7 only...exciting art experiences that could include drawing, acrylics, printing, watercolors, clay, collage, paper sculpture, papermaking and more. We learn about master artists and their techniques, as well as basic artists skills. Draw and paint what you see and observe! All still life material is engaging for this age, with everyone working at their own skill level and moving up from there.

**INTERNATIONAL FINE ART FROLICS**

As above but with an international twist – Sumi-E painting, Mexican foil art, African masks, Japanese fans, etc.

**LEATHER CRAFTING**

Unique camp offering a chance to work both with 2D and 3D leather projects. Sketch your designs and then fabricate in leather learning form, shape, color, tooling and dyes. Combine sketching, design, sculpture and color all in one medium.

**MIXED MEDIA**

Work with a bit of everything - draw, paint, sculpt, & print! All these exciting projects reinforce the basic rules of art. We'll look at some master artists and their techniques as well as experiment with combining different mediums to create our own art.

**MOSAIC ART**

Learn to use all the tools needed to make your mosaics. We will work with porcelain and ceramic and some other tesserae in the work. Learn about different styles of mosaics, history of the art, current uses. Design your own reference. You are going to love the process and the final pieces!

**OIL PAINTING**

Learn about color mixing/pigments, palette set up, composition, additives & techniques, working from still life/photo, use glazes and other oil techniques.

**POLYMER CLAY SCULPTURE**

A fast paced camp that works with making beads, insects, armatures, animals and using some additives to enhance your sculptures. You're going to love working with your hands to make a lump of clay come alive!

**PORTFOLIO PRESENTATION FOR ART SCHOOL**

Make your acceptance to college an easier process – create your portfolio with us! We will guide the development of your work allowing you to grow in both your techniques and skill level.

**SCULPTURE**

The simple definition of sculpture -turn one thing into something else! Work with Paper, Clay, Stone, Wood, involving texture, color, movement and more.

**TEXTILES**

Discover the beauty of working with fabric. Learn the techniques for Batik, Silk Painting, and Theorem Painting, completing a piece of each style.

**WATERCOLOR PAINTING**

Learn the theory and practice of watercolor-palette and color work, brush use, pigments, techniques galore!, working from a still life. For beginners or more experienced...everyone works at their own skill level and moves up from there.

**WIRE WORKS!**

Draw with it, sculpt with it, bend, twist and shape it, form it and solder it...so much fun to work with wire! Wall hangings, wire drawings and more.

**WOOD 'N ART**

In-depth course suggested for the older camper ages 9+... Using real tools, chisels, etc....chisel carve a wood sculpture, learn pyrography to burn your art design into wood, create a wood block print!
